

**REMARKS**

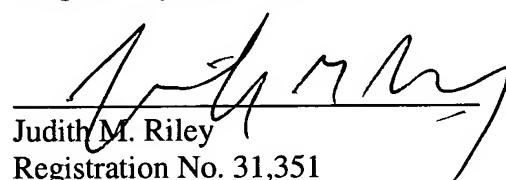

In response to a restriction requirement mailed March 9, 2005, applicant elects the Group I claims (1-20) drawn to an apparatus for moving frameworks between machines. This election is made without traverse.

Applicant hereby cancels the Group II method claims, namely claims 21-25. However, applicant may file a divisional application on the method claims sometime during the pendency of the present application.

Applicant submits that this response fully complies with the restriction requirement and that the application is in condition for a subsequent and prompt action on the merits.

Should the examiner have any questions or comments, applicant respectfully requests her to contact the undersigned attorney at the office number below.

Respectfully submitted,
